

# 2025

**After 14 years of growing together,  
the time has come for us to renew ourselves.**

Our community keeps growing, and it's time our image reflects that journey. In May, we'll launch a new visual identity, but we're still the same Cronopios, with the same commitment to quality education at fair prices.

# What's New?

**More class time**, 100 additional minutes per week to support your progress.

**High-quality virtual resources** with a 12-month subscription to Campus Difusión and access to our own Virtual Classroom.

**A new beginner course** and textbook developed by our teachers and designed to support students from different language backgrounds

**Now you can enjoy a different guided cultural activity every week of the year.**

Check our calendar to explore all the activities and workshops planned for 2025. From museum visits to language exchanges and cultural walks.
